A COLLECTION OF PORCELAIN WALL AND FLOOR TILES

THE RETROMIX COLLECTION

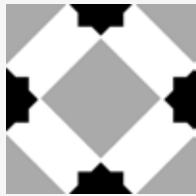

Retromix is a collection of bold patterned 150x150mm glazed porcelain tiles for floors and walls in bathrooms, kitchens, hallways, restaurants, feature walls, bars, hotels and shops.

Taking inspiration from vintage style, Retromix allows you to create a contemporary look with a retro twist. Choose from classic black and white tiles or mix it up with a geometric design for an eye-catching graphic finish.

All Retromix tiles have a slip resistance rating of R10, and meet or exceed a rating of A + B in wet barefoot areas such as showers and pool surrounds.

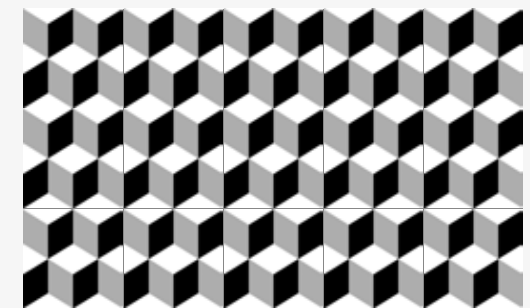

CUBE MEDIUM

Size	150x150mm
Material	Glazed Porcelain
Finish	Matt
Slip Resistant?	Yes

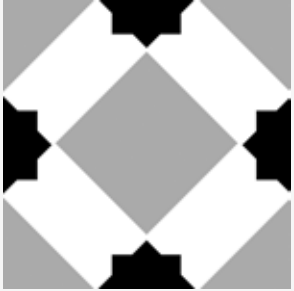

Create a visual illusion on your walls and floors with this geometric cube design, perfect for both small and large spaces.

These tiles look great as a feature wall in combination with the plain black or white tile.

Pattern created with multiple tiles

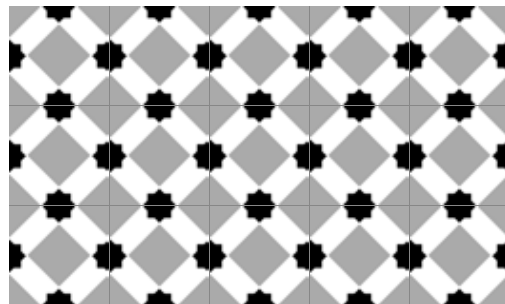

STAR LARGE

Size	150x150mm
Material	Glazed Porcelain
Finish	Matt
Slip Resistant?	Yes

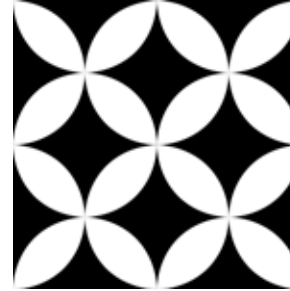

The star design tile combines a traditional pattern with a modern finish that's perfect for floors in kitchens and bathrooms.

Use the plain black or white tiles to create a perimeter border for your wall or floor.

CIRCLE LARGE BLACK

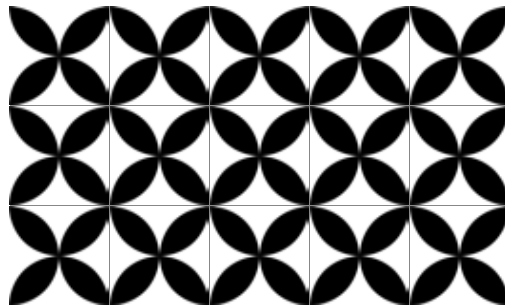

Size	150x150mm
Material	Glazed Porcelain
Finish	Matt
Slip Resistant?	Yes

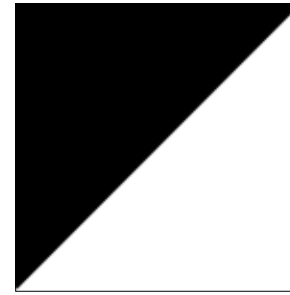

This bold pattern creates an eye-catching look on walls or floors, great for residential projects like kitchens, hallways and bathrooms, or in bars, restaurants and coffee shops.

Why not use the plain black or white tiles to create a contrasting wall or floor.
